- Member tool that provides program information for payers
- Released each January
- Updates and payers meeting

Transplant Administrators Listserv

- Established 1999
- Facilitates information sharing
- Membership

The background of the poster is a dark blue night sky. At the bottom, there is a silhouette of the New Orleans skyline with various skyscrapers illuminated. Overlaid on the sky are several stylized, hand-drawn musical instruments in white, yellow, and green: a large trumpet on the left, a violin in the center, a guitar at the bottom left, a drum set on the right, and a piano keyboard at the top. White swirls and lines connect the instruments, creating a sense of musical harmony.
